

FACTS Speed Date Regulations (Spring Edition 2017)

1. Conditions for participation

- You have to be at least 18 on April 1st 2017 to enter.
- You have to be single.
- You have to purchase an entrance ticket to FACTS and to have completed the registration form.
- By participating you accept the present speed date regulations, as well as the general FACTS regulations, which are applicable.

2. Signing up for the Speed Dating Sessions

- We are dividing the sessions in three types: Heterosexual, homosexual male and homosexual female. Make sure you are in the session type that suits you best!
- Complete the speed date registration form on our website. You are responsible for the correctness and truthfulness of the information.
- If you have made a mistake in your register form, then contact info@facts.be. We advise you to do so, or you risk being in the wrong group.
- If you want to cancel your registration, then contact info@facts.be.
- You will need to present your ID card to the hosts to prove that you are the registered person you claim to be. That is the best way to prevent identity theft. If you can't provide your ID card, you won't be allowed to participate.

3. Procedure

- All participants will be divided in two groups: one group will be sitting down, the other group will be rotating.
- You get about 3 to 5 minutes per pair, depending on the amount of participants. You will be handed a few icebreakers, to get the conversation going.
- When the host gives the signal, the rotators immediately go to the next chair.
- You will be handed a list with all the numbers of each participant you've met. If you like person nr. 3, for example, just tick that box.
- When two participants ticked each other's boxes, then they are 'a match'.
- The organisers will exchange the contact data of the participants for them. Person A gets Person B's contact information and vice versa.
- The rest is up to you!

4. How to behave

- You will always be polite and respectful towards the hosts, the participants and other FACTS fans.

- Even if you match with someone, if that person doesn't want to go any further, you will respect that decision.
- Keep your hands to yourself and keep a comfortable distance.
- **Cosplay is not consent.** It's not because you find a cosplay costume sexy or revealing, that you can behave intrusively.
- You will always follow the instructions of the hosts and crew. Disruptive participants can and will be excluded from the speed dates.

5. Privacy

- FACTS will have the right to use the contact information of the participants. By participating you indeed expressly authorise us to give the contact details you provided to all the people you matched with.

6. General notes

- FACTS will not be responsible for incidents during the speed date event.
- Nor will FACTS be responsible for incidents after the speed date event.
- FACTS does not guarantee a good outcome for the love birds. We introduce you to each other, the rest is entirely up to you!
- FACTS will be able to cancel the session at any given time if certain problems should arise.
- If we suspect bad motives or have enough doubts about the truthfulness of your participation, FACTS will be able to exclude you.
