COSPLAY / CONTENT / CREATOR HALL

- HALL 8 (enter via Hall 3, Hall 5 or Hall 7)

Visit the now **DOUBLED** Creator Zone, with twice as many talented artists & designers showing you their lovely hand-made fandom items. Then watch **fiction come to life** in Technopolis' Movie Magic Show, in the jaw-dropping cosplay shows and in the Star Wars Zone, where you can high-five R2-D2's and Mandalorians. Or join a Harry Potter Sorting Hat Ceremony, touch the bow of One Piece's Going Merry boat, and so much more. **Not out of steam yet?** Swoop into the retro game & arcade halls!

THE GEEK MARKET

- HALL 1

Dive in **cinema magic** with Kinepolis, enter the official Ghostbusters & Mad Max: Furiosa booths, take on Proximus' Fiber Run 2.0 Fortnite challenge to **win a PS5**, and check many other fandom experiences! We also hope you've brought your **bottomless loot bag!** Browse through 370m² worth of comic & book stores, order custom gaming PCs, get your plushies, tabletop, retro games, swords, wands, stock up on import candy, Viking mead, Japanese bubble tea & rice balls, and lose yourself in endless possibilities.

BOARD GAME ZONE

- HALL 1

Go on a **fantasy adventure** with Dungeons & Dragons, try the Flesh & Blood card game, and various other fun tabletop games in Hall 1!

THE EDUCATION ZONE

- HALL 1

New zone? Hurray, new zone! Become a hologram with Technopolis or try to beat their AI-powered Rock-Paper-Scissors robot arm! (Spoiler: you won't) Ride VDAB's 4D Virtual Reality Rollercoaster! Pixel art, 3D printing, AI applications, and 'phygital games' with Arteveldehogeschool! Drawing tech with LUCA School of Art! Become a 3D or movie make-up artist with Syntra West, and so much more.

FAN EXPERIENCE ZONE

- HALL 7

Take your pictures with horror statues, a Stargate exhibition, the Dragon Ball tribute zone, and movie cars, show your moves in DDR, enter The Compendium's Wizard Workshops and make your own wands and potions! But beware, for BounceZilla looms over this hall, reluctantly granting passage to whoever dares to conquer its 66 meter inflatable challenge.

SUPERCUBE'S SPEED SECTOR

- HALL 6

Blast your friends off Supercube's ever-changing digital tracks in **real-life racing karts**, or lay traps to send them spinning. No moustaches or overalls required!

GUEST HALL

- HALL 4

Wear your sunglasses, for the stars have descended to meet you! Meet an exciting line-up of **world-famous actors** in photoshoots and autograph sessions, get your sketches from renowned comic artists in the Artist Alley, or watch the artist workshops & panels on the brand-new Pen-and-Ink Palace.

Q&A MAIN STAGE

- HALL 2

Ask your burning questions to the actors on stage; this is your chance to get close! Be sure to also join the exclusive keynote of Flemish author **Marc de Bel**. These sessions are included in your entry ticket, so all you need to do is be on time, take a seat and listen to the fun stories that unfold. Have fun!

BANQUET OF KINGS

- HALL 5

You are hereby cordially invited to the feast! Replenish your mana with tasty potions, try out delicacies of other realms, and get your dose of sweets.

FACTS

YOUR GUIDE TO ADVENTURE

• FLANDERS EXPO GHEENT @FACTSCONVENTION •

A Word from Flux, the Tinkerer, Maker of FACTS Bots

Well butter my bolts and call me toasty, if it isn't my **favourite pack of humans**, returnin' for another magical pop culture festival. Whaddaya say we place that missin' **FACTS cog** back in yer tickin' **fandom hearts**, to get them pumpin' in overdrive again?

The Cloud District's callin' the shots this time, and we've sure as heck did our best to get ya tons a' **steamy guests, activities & shops!** So score yer gizmos on the **Geek Market**, muster up yer courage in the **Guest Hall**, and rev up yer engines for **FACTS Spring 2024!**

EMBRACE DIVERSITY

More than games. More than the activities. More than even the world-famous guests.

FACTS is about you. It's about you sharing your fandom with the world. It's about offering you a **safe haven from reality.** FACTS is about helping you to escape the ever-ticking clocks, and leaving the harsh brick-and-mortar pavements behind, to feel the soft moss of fandom between your tippy-toes.

FACTS is about expressing yourself, about welcoming heroes in all shapes, sizes and colours, all equally valid and valuable.

Respect is key. Always remember that **Cosplay is not Consent** and that people who are dressed up are just people too, trying to express themselves. So always ask permission for photos and don't touch anything unless it's with consent.

Feeling threatened? Call our **Safe Harbor Coordinator** via +32 (0)474/84.68.21. The **FACTS Guardians** will rush to your aid, **contact law enforcement, provide escort or offer a safe space.**

Now go, embark on your adventure!
